

20 OF THE TOP 20 BANKS
MAKE GAINS USING PROGRESS SOLUTIONS

BUILD A BANK THAT RESPONDS FIRST, FAST, BEST

Hello [Jen],

Aite Your bank can't get much of a competitive advantage with great customer research and analysis alone. What you really need is the insight to respond first, fast and best—not only to customers, but also to transaction exceptions and changing markets. That's precisely why you can't afford to miss this [informative, eye-opening webinar](#), **Responsive Customer Engagement: Achieving Real-time Customer Management in Banking**.

You'll learn how to blaze past obstructive competitive and regulatory challenges—and how leading banks optimize data to take full advantage of profitable customer onboarding and cross-sell and upsell opportunities.

Sincerely,
The Progress Software Team
