SONIC SCHOOL
LEARN YOUR "ESBs"

Thanks for your interest in the Progress® Sonic® ESB. To give you a head start on your "ESBs," we've put together this convenient, self-paced course on the world's best-in-class enterprise integration solution.

The **Progress Enterprise Integration Whiteboard** series covers all the ESB basics in 7 easy installments. We also give you a topic-specific whiteboard video and technical report free with every installment.

Ready to jump-start your ESB education? **Ask for your first Progress Enterprise Integration Whiteboard installment today.**

Sincerely,
The Progress Software Team

P.S. If you want to take your Sonic education up a notch, **contact us** for a one-to-one consultation.
